Markley Road closed for bridge painting work

Hamilton County (Monday, June 24, 2013) – To accommodate bridge painting work, Markley Road under I-275 in Anderson Township is closed to traffic until July 15. Traffic is detoured to Bennett Road to Birney Lane to Five Mile Road.

To help ensure the safety of the construction workers as well as the traveling public, motorists should remain alert, reduce their speed and watch for stopped traffic while passing through the work zone.

Ohio's highways are essential to keeping and creating new jobs. With a mission to provide easy movement of people and goods from place to place, the Ohio Department of Transportation (ODOT) is responsible for maintaining one of the largest transportation networks in the nation. Guided by ethical principles and accountability, ODOT works to improve safety, enhance travel and advance economic development. As a \$2.8 billion enterprise, the department wisely invests in its core services of snow and ice removal, annual construction program and highway maintenance operations.
